

Teambuilding Fun Days

We have developed an extensive array of on-ice team building activities that are specifically designed to excite, challenge thinking and enhance leadership and communication skills. The flexible packages will suit any brief or budget and are guaranteed to provide companies with a memorable and unique event.

Activities include Curling, learn to skate lessons, ice hockey penalty shoot-outs and an on-ice Olympics course, which can be combined with meetings and catering. iceSheffield is the only centre in the north of England to offer a corporate ice event package.
